

Travelling Fellowship  
EKS Knee Arthroplasty

2023 APPLICATION DEADLINE: August 1<sup>st</sup> 2023

After six successful previous editions, EKS is proud to announce the seventh edition of the EKS Knee Arthroplasty Travelling Fellowship, which will take place from October 30<sup>th</sup> until November 29<sup>th</sup> 2023. The Fellows will also attend the EKS closed Meeting, which is scheduled to take place in Bordeaux, France on November 29<sup>th</sup> - December 1<sup>st</sup> 2023.

The Fellowship aims to enhance the skills and knowledge of young orthopaedic surgeons interested in knee arthroplasty surgery. 4 Selected fellows will have the opportunity to visit 8 high-level European teaching centres, in a time span of 4 weeks, covering all aspects of degenerative knee surgery.

The Fellowship assumes all expenses for travel (flights and ground transportation), accommodation and some meals.

The application period for the EKS Knee Arthroplasty Travelling Fellowship 2023 is open now. Deadline for sending in the application form is August 1<sup>st</sup> 2023.

Criteria to qualify for application are:

- to have finished the general orthopaedic training in your own country;
- to be younger than 45 years at time of applying;
- to speak English. Maximum 1/4 can be a non-European citizen;
- to be prepared to make 2 presentations of a specific research topic or topic of interest;
- to be willing to make a summary of educational and social-cultural highlights of the trip;
- proven interest in knee arthroplasty and osteotomy
